Invitation to attend the DHIS2 Academy Asia 2015 - Level 2 & 3
Furama Resort, Da Nang, Viet Nam April 13-23 2015

HISP Vietnam and University of Oslo are pleased to announce the "DHIS2 Academy Asia 2015" to be held at the Furama Resort, Da Nang, Viet Nam, April 13-23 2015.

The DHIS2 Academy Asia Level 2 & 3 focuses on four broad themes:
- ✓ **Use of information**: Focusing on using country data available in DHIS2 to make local action plan plus combining routine HMIS data and survey data towards producing national health statistic year book.
- ✓ **DHIS2 Tracker**: Setting up, maintenance and use of DHIS2 Tracker for case based, patient based tracking; Demonstration of working systems
- ✓ **DHIS2 mobile**: Setting up, maintenance and use of DHIS2 Mobile for aggregate, case based and patient tracker using SMS & J2ME for aggregate and GRPS for aggregate, case and patient tracer based system.
- ✓ **Integration**: Integrating other system with DHIS2 such as HR, logistics, hospital information system, mobile system data transfer; Creating custom apps and web portal for data analysis and dissemination of information.

This DHIS2 Academy will focus on:
- ✓ Assisting Program Managers, Statisticians, M&E Officers in using their data in DHIS2 for monitoring and evaluation of their programme; Making action plan based on the routine HMIS data; Identifying gaps in service.
- ✓ Guiding Departments, Programmes, Ministries and Organisations in setting up DHIS2 Tracker and Mobile for their specific health programs and services.
- ✓ Assisting Programmers, Developers, National HMIS staff, DHIS2 implementers in creating custom reports, Apps, data exchange with other systems and importing legacy data.

We are inviting 3-5 people from each country in Asia to join this 10-day regional training programme.
DHIS2 experts from global and the region will not only share the latest features and development, but also the best practices around the globe to help you make your DHIS2 implementation a success. A practical training programme will make sure the facilitators and participants can work together on customized databases to guide you and solve emerging issues. One of the objectives of DHIS2 Academy is to emphasize experience and solution sharing among countries across the region and to promote networking and collaboration among DHIS2 implementers in the region.

The registration fee is **1950 USD**. It includes:

- ✓ Round trip Da Nang City;
