2010 eHealth Sri Lanka
Towards IT enabled Health Care

HISSL

INTERNATIONAL CONFERENCE ON e-HEALTH

INTERNATIONAL CONFERENCE ON *e*HEALTH

15 & 16 SEPTEMBER 2010

at Waters Edge – Battaramulla - Sri Lanka

CALL FOR PAPERS

The Health Informatics Society of Sri Lanka (HISSL) has planned to organize the fifth Health Informatics Conference in Sri Lanka during the days of 15th and 16th of September 2010 at Waters Edge.

This conference would strive to provide a platform for intellectually stimulating deliberations around the Application of Information and Communication Technology (ICT) in the domain of Healthcare.

With the above thought in our mind the HISSL seeks original abstracts for oral and poster presentations from individuals who demonstrate significant innovation in harnessing technology for transforming some aspects of Healthcare.

Contributions are solicited in the form of academic/scientific papers and presentations.

The tracks of the conference are:

- eHealth Policy
- Clinical informatics
- Public Health Informatics
- IT for Medical Education
- Law in Health Informatics
- IT for Efficient Health Administration

The closing date for submission of Abstracts is **31st of July 2010**.
