

## Invitation to attend the DHIS 2 Academy East Africa 2014 Level 1, Zanzibar - November 25 – December 04 2014

The University of Oslo, the Ministry of Health of Zanzibar and the UDSM are pleased to announce the “DHIS 2 Academy East Africa 2014 - Level 1” to be held in Zanzibar, November 25 – December 04 2014.

The DHIS 2 Academy East Africa - Level 1 is meant for **DHIS 2 implementers**, the technical staff who set up, design, and maintain DHIS 2, and **DHIS 2 managers & program officer's** statisticians, HMIS officers, senior and health managers, in their respective countries or organizations. We would like to invite 2-4 people (depending on venue capacity and overall interest) to join this regional training program. We invite both new and experienced DHIS 2 implementers & managers & program officers.

Experienced DHIS 2 experts from global and the region will share the latest features and customization approaches and help you to make your DHIS 2 implementation a success, in your country and/or across your organization. A practical training program will make sure the trainers and participants can sit together and work on your own databases. Emphasis will be put on sharing experiences and solutions across countries and to promote networking and collaboration among DHIS 2 implementers in the region.

Training topics will include:

- Design principles and best practices for all major aspects of DHIS 2 database design/set-up;
- Use and administration of analysis tools such as data visualizer, pivot tables and GIS;
- Use of analytics engine, iReport and HTML for report generation;
- Use of web-api for data transfer and interoperability with other applications;
- Use of mobile clients/SMS for data collection and alerts;
- Event capture and individual records;
- Configuration of user roles and access control;
- Deployment/implementation strategies, e.g. to move from pilot to national scale.

The 9-days academy training fee is approx. 850 USD, including 9 days of lunch and tea breaks and 1 community day, from November 25th till December 04<sup>th</sup> 2014.

Please register online. Here is the link: <http://www.dhis2.org/zanzibar2014-registration>
