

Invitation to attend the DHIS 2 Academy Asia 2014 Vung Tau, February 17-27 2014

HISP Vietnam and University of Oslo are pleased to announce the "DHIS 2 Academy Asia 2014" to be held at the Seaside resort Vung Tau, Vung Tau, Vietnam, February 17-27 2014.

The DHIS 2 Academy Asia is meant for DHIS 2 implementers -the technical staff that set up, design, and maintain DHIS 2 (including DHIS2 mobile set up) in their respective countries or organisations. We would like to invite 2-4 people (depending on venue capacity and overall interest) from countries in Asia to join the 9 days regional training programme. We invite both new and experienced DHIS 2 implementers.

Experienced DHIS 2 experts from global and the region will share the latest features and customisation approaches and help you to make your DHIS 2 implementation a success, in your country and/or across your organization. A practical training programme will make sure the trainers and participants can sit together and work on your own databases. Emphasis will be put on sharing experiences and solutions across countries and to promote networking and collaboration among DHIS 2 implementers in the region.

Training topics will include:

- design principles and best practices for all major aspects of DHIS 2 database design/set-up;
- use and administration of analysis tools such as data visualiser, pivot tables and GIS
- use of analytics engine, iReport and HTML for report generation
- use of web-api for data transfer and interoperability with other applications
- set-up and use of mobile clients/SMS for data collection and alerts
- set-up and use of DHIS 2 Tracker (case-based data and individual records)
- configuration of user roles and access control
- deployment/implementation strategies, e.g. to move from pilot to national scale

The academy fee is 1670 USD, including airport transfer, single room accommodation from Feb 17-28, reception dinner on Feb 17, breakfast, lunch, and dinner from Feb 18 to 26, and then breakfast and lunch on Feb 27 (final day). The academy starts on Feb 17 at 6:30 pm with a reception dinner.

[Special offer! Save 300 USD by sharing room with a colleague of yours. 1370 USD instead of 1670 USD per person].
