To whom it may concern,

Canonical Ltd. is committed to the development, distribution and promotion of open source software products.

In order to promote our software we send CDs, completely free of charge, through the mail to users who request them.

For shipping purposes, we declare a 0.13 EUR value for each CD.

However, **these CDs are free promotional materials and are not imported goods to be sold, and are not for commercial use or for resale. There should be no import duty charged.**

If you have any questions, please do not hesitate to contact me personally.

Sincerely,
Maria Randazzo
Distribution Coordinator
